The Statement of Syrian Interim Government about Uqayribat Massacre

While the eyes of the world are heading toward what is happening in Aleppo, which is considered as the holocaust of the third millennium, the regime, and the Terrorist Militias that support him to commit more savagery crimes against the humanity, the Russian regime air forces launched intensive attacks in all villages in **Uqayribat** town at Eastern Hama using chemical weapons.

After the bombardment of the residential neighborhoods in liberated parts in Aleppo with a various spatial missiles and internationally banned white phosphorus and Thermobaric bombs, and the targeting of hospitals and medical points the Assad regime and the Terrorist Militias that supported him broke into those neighborhoods and torturing its people ; killing , arresting , and displacement of civilians , women and children .

The regime had executed more than 80 civilians in Al-kallasah squre , most of them are women and children and kill all the injured in Al-hayat hospital at Al-kallasah neighborhood and then killed the reminder of the medical staff in it.

On 12/12/2016 the Russian regime air forces launched intensive attacks in all villages of **Uqayribat** district at Eastern Hama.

Some of the attacks used **sarin Gas** where the planes targeted the villages (Uqayribat ,Jorouh ,Al salaliah , Qastal , Hamadt Omar) and caused the death of 93 martyrs , and nearly 300 injuries , distributed as follows:

-**Jorouh:** At 6;30 – 7;00 AM ,the village was targeted by two missiles containing **Sarin Gas** which led to the martyrdom of the families: Mohammad AL husein , Sofok Alhasan –Mohammad Alhasan and the total number of martyrs is: 35 martyrs and 150 injuries and the most of them are women and children .

-**Alsalaliah:** as a result of bombardment with sarin gas ,many whole families were martyred and the total number of martyrs is 43 , most of them are women and children.

-**Hamadt Omarlot:** the tota number of martyrs is 7 and there were many unknown injuries.

-**Qastal:** two martyrs and many injuries.

-**Khadirah:** six martyrs and numbers of injuries.

-We call upon all the free people of the world, international organizations ,United Nations, human rights organization and Arab League to take its role in the defense of the Syrian oppressed and wronged people to stop all the massacres committed against them.

Because history and the word remember, the silence on these crimes will blot on the forehead of all who failed to support this oppressed people.

MERCY for the martyrs .

-speed recovery for the injured .

-Freedom of detainees.

-Good willing , the blessed for our revolution .
