Media Statement

Syrian Coalition

Istanbul, Turkey

July 08, 2013

The Syrian Coalition urges the Syrian people living in Egypt and other countries to fully comply with the laws of those nations. It is necessary that Syrians do not interfere in the internal affairs or local politics of the countries in which they reside.

The Syrian Coalition stresses the importance of maintaining respect in order to avoid creating a hostile atmosphere to Syrians and to ensure that humanitarian doors remain open. We would like to commend the Syrian people for respecting and taking into consideration the special circumstances of each hosting country.

The Syrian Coalition extends its gratitude to the Egyptian people for their hospitality towards Syrians.

We urge the Egyptian authorities to continue to provide all possible facilities to the Syrian people in Egypt.

We ask for Mercy for our martyrs, health for our wounded, and freedom for our detainees.

Long live Syria and its people, free and with honor.
