Foreign & Commonwealth Office (UK)

PM response to FAC report on British military operations in Syria

2015-11-26

In October 2015 the Foreign Affairs Select Committee of Parliament published a

report on the extension of offensive British military operations to Syria.

This publication provides the Prime Minister’s response to the Committee’s report.

Read the Prime Minister’s

statement to Parliament

on his response to the report made on 26 November 2015.
