Press Statement

Khalid Saleh

Syrian Coalition Media Office President

Istanbul, Turkey

January 12, 2014

We condemn in the strongest possible terms any and all violations, including illegal practices, intimidating civilians, and theft, taking place all over Syria; particularly in the northern parts of the country. Armed gangs took advantage of the fighting between the Free Syrian Army and ISIS (Islamic State of Iraq and Sham) to commit such violations.

We call on FSA brigades to work with civil revolutionary bodies and local councils operating in those areas to address the threat of those gangs, and make sure those gangsters are hunted down and brought to justice.

We ask for Mercy for our martyrs, health for our wounded, and freedom for our detainees.

Long live Syria and its people, free and with honor.
