Press Statement

Syrian Coalition Secretary General

August 20, 2014

I was shocked and deeply outraged to learn about the alleged execution of American journalist James Foley by the terrorist group ISIS. A video was released online by the extremist group purporting to show the beheading of James Foley.

We condemn in the strongest possible terms such an atrocious murder. Our hearts go out to Foley's family and friends. James will be remembered as a brave man. He will be remembered for his courage and extraordinary reporting from various front lines.
