Press Statement
Khalid Saleh
Syrian Coalition Media Office President
Istanbul, Turkey
March 1, 2014

We condemn the atrocities perpetrated by the extremist group the Islamic State in Iraq and the Levant (ISIS). Yesterday, a chain of mass graves were discovered in areas where ISIS used to hold sway in rural Aleppo, according to Local Coordination Committees.

Ordinary people in different areas across Syria have been standing up against these groups. The Free Syrian Army (FSA) defended civilians against acts of terrorization and restriction of public freedoms carried out by such groups.

We reiterate the Coalition's rejection of ISIS and indeed of all extremist groups with ideologies alien to the Syrian people, who in 2011, poured into the streets and called for freedom and democracy.
