Syria: Minister for Middle East meets Chairman of White Helmets

2019-11-05

Dr Murrison said:

I had a valuable meeting with Chairman of the White Helmets, Mr al-Saleh today to discuss the situation on the ground in Idlib.

White Helmet volunteers continue to be subjected to a massive disinformation campaign by the Syrian regime and the Russian government. These deceitful tactics are a brazen attempt to divert attention from the barrage of appalling attacks against the Syrian people, which has included the use of chemical weapons.

I thanked Mr al-Saleh for the lifesaving service that the White Helmets provide to thousands of ordinary Syrians and reiterated the UK’s unwavering support.
