Syrian Coalition

March 26, 2015

The Syrian Coalition expresses full support for the military operation “Storm of Resolve” which arose in response to demands for the protection of Yemen and its people from the aggression practiced by the Iranian-backed Al-Houthi militias.

This Saudi-led move occurred in collaboration with countries of the Gulf Cooperation Council, the Yemeni government and other Arab countries, in order to protect the Yemeni people from Iranian occupation and Al- Houthi militias. This decision represents a sound and deterrent step that paves the way for the formation of an alliance needed to address the Iranian regime’s plans to target the entire Arab region.

The Syrian people, through their legal representative, urge brotherly and friendly countries to work on building a close alliance to finish off the Assad regime, thwart the ambitions of the Iranian regime, put an end to the destruction of Syria, and help Syrians achieve their legitimate aspirations.
