Press Statement
Dr. Badr Jamous
Syrian Coalition Secretary General
January 21, 2014

The Syrian Coalition welcomes the right decision by the United Nation’s Secretary General to withdraw an invitation to Iran to attend the Geneva II conference, after Iranian officials made it clear they did not endorse the Geneva Communiqué as the basis of Geneva II.

We reiterate our commitment to the conference as the gate to a political transition starting with the formation of a transitional governing body TGB with full executive powers, including over military and security structures, where Assad and those with blood on their hands will have no role whatsoever. The TGB when established will provide the foundation for a democratic civil state that will meet the aspirations of the Syria people for freedom and justice.

We ask for Mercy for our martyrs, health for our wounded, and freedom for our detainees.

Long live Syria and its people, free and with honor.
