Press Release
Syrian Coalition
July 16, 2016

On behalf of the Syrian people, the Syrian Coalition congratulates the Turkish people on succeeding in defending the democratic institutions of Turkey in the face of desperate attempts to hijack the will of the people.

The Turkish people, who have long realized the values of freedom and democracy and who have reaped the fruits of these values, will not allow a group of coup plotters to hijack their will and restore military rule in Turkey. They will not allow them to take Turkey back to times when the Turkish people were robbed of their freedom.

In the past few hours, the Turkish people have shown how much they value democracy as they did throughout the ten past years. They courageously defended their freedom and proved that Turkey, its government and its political parties are able to safeguard democracy.

We at the Syrian Coalition, as the legitimate representatives of the Syrian people, congratulate our Turkish brothers and sisters for courageously thwarting the coup. We also salute the choices of the Turkish people which produced leaders who have made outstanding achievements worthy of all respect and appreciation.

The Syrian people are looking forward to the day when they can exercise democracy and defend it; to live in a state of freedom, justice and equality for all.

Mercy for the fallen heroes, recovery for the wounded, and freedom for the detainees. Long live Syria and its people, free and with honor.
