Press Statement
Nasr al Hariri
Secretary General of the Syrian Coalition
July 10, 2014

We condemn Israel's latest aggression on the Palestinian people in Gaza. We stand together with the people of Gaza during these difficult times.

We express our complete solidarity with the Palestinian people in their struggle to gain their legitimate rights in accordance with international resolutions. The Palestinian people have the right to live in their own land in dignity and freedom.

The fact that the Palestinian people were denied their basic rights lies at the heart of the current conflict. Just like the Syrian people, Palestinians are struggling to gain their rights, dignity and freedom.
