Press Statement
Syrian Coalition
Istanbul, Turkey
November 21, 2013

The Syrian Coalition condemns the twin blasts near the Iranian embassy south of the Lebanese capital Beirut, which killed and injured scores of civilians on Tuesday, November 19th.

On behalf of the Syrian people, the Syrian Coalition extends its condolences to the people of Iran and hopes the government of Iran acknowledges the Syrian people's daily suffering and reconsiders its unlimited support of the Assad Regime. This regime continues to commit systematic terrorist acts against innocent civilians in Syria.

It has become evident that without the assistance of Iran and Hezbollah, the Assad regime would not be able to cling to power against the will of the Syrian people.

We ask for Mercy for our martyrs, health for our wounded, and freedom for our detainees.

Long live Syria and its people, free and with honor.
