EU Statement at IAEA BoG on the implementation of the NPT safeguards agreement in the Syrian Arab Republic, as deliverd on 16 November 2022

2022-11-16 · Vienna · Press and information team of the Delegation to UN and OSCE in Vienna

Chair,

I have the honour to speak on behalf of the European Union. The following countries align themselves with this statement: Türkiye§, North Macedonia*, Montenegro*, Albania*, Ukraine*, the Republic of Moldova*, Bosnia and Herzegovina*, Georgia, Iceland+, Liechtenstein+, Norway+ and San Marino.

The EU has to once again reiterate its serious concern over the continued absence of cooperation by the Syrian Arab Republic and the lack of any progress in resolving the long outstanding questions regarding the Dair Alzour site and three other locations, as reported in the Director General's introductory statement.

We regret that the Syrian Arab Republic remains in non-compliance with its Safeguards Agreement since more than 10 years. The EU supports the efforts of the Director General to re-engage with the Syrian Arab Republic that needs to follow words with action and enter into full and constructive cooperation with the Agency.

We, once again, strongly urges the Syrian Arab Republic to fully comply with the Board of Governors resolution of June 2011, provide the necessary information and cooperation to the IAEA, and conclude and bring into force an Additional Protocol as soon as possible.

Chair,

The Syrian Arab Republic must be held accountable for its lack of action and urgently remedy this non-compliance. Until it fully cooperates with the Agency, we request the Director General to keep the Board of Governors informed about this issue and maintain this item on the Board agenda.

Thank you, Chair.
