Press Statement

Khaled Khoja

President of the Syrian Coalition

February 16, 2015

Following the release of a video purportedly showing Libyan jihadists loyal to ISIS beheading 21 Egyptian Christians, President of the Syrian Coalition said:

“Time and again ISIS thugs demonstrate to the world that they are capable of being more barbaric and savage than anyone has ever imagined.

ISIS’s modus operandi of mass beheadings for the purpose of gaining worldwide media attention is sickening and extremely alarming.

ISIS thugs have killed innocent people of all faiths and denominations; an ample testimony that ISIS’s core ideology is based on nothing but intimidation, terror, and violence.

Our hearts and prayers are with the families and loved ones of those killed at the hands of evil ISIS. We stand with the Egypt as it deals with this horrible news.”
