The Syrian Coalition Presidential Committee, consisting of Vice Presidents, Mr. Riad Saif, Mr. George Sabra, and Ms. Suheir Attasi, met to discuss the facts, consequences, and measures to be taken regarding the resignation of the Syrian Coalition President Mr. Mouaz Al Khatib.

The committee members recognize Mr. Al Khatib's distinct role and tireless efforts during the past five months presiding over the Coalition. In light of Mr. Al Khatib's positive national and international efforts, the Presidential Committee will issue a letter of gratitude and appreciation on behalf of the political establishment. Meanwhile, the Presidential Office has designated Mr. George Sabra as the Acting President of the Syrian Coalition, with the cooperation and consultation of the remaining Presidential Committee members and vice presidents. Article XI of the Statute of the Syrian Coalition states: "Vice president(s) will assume President's powers and responsibilities, in the case of an absence or vacancy of the president's office."

The attendees have decided to call for the Political Commission to convene on April 26th and 27th in Istanbul to discuss key agenda matters, which include the resignation of the Syrian Coalition President. Additionally, the attendees called for the General Assembly to convene on May 1st and 2nd. They will take the necessary measures for the expansion of the political outlook, the development of the relationship between the Syrian Coalition and the Interim Government, and the resignation of the Syrian Coalition President, as well as other key agenda items.

May honor come to our heroic and righteous people and martyrs, and may the Syrian Revolution be victorious.
